

CTE TEACHERS

**VOLUNTEERS
NEEDED**

Preparing students for the workforce

PURPOSE

The purpose of this qualitative descriptive study is to explore how CTE teachers in Texas describe their experiences developing industry partnerships to promote student career and academic readiness.

INCLUSION

Participants must

- 1) have at least two years of CTE teaching experience.
- 2) have experience building or maintaining partnerships with industry professionals.
- 3) are currently employed in a Texas public school district.
- 4) be willing to answer the required demographic questions related to age, gender, race, region, and professional experience.

Visit the web address to view and sign the Informed Consent:

Participants who complete the interview will be entered into a drawing for one of two \$50 Amazon gift cards.

ACTIVITIES

- Review and sign the informed consent.
- Complete the demographic questionnaire (5-10 minutes) via survey link online from your computer,
- Participate in the interview (60-90 minutes) during non-instructional class time, and
- Review the transcript (30-60 minutes) for accuracy during the transcript review process.

EXCLUSION

Participants cannot participate if they have

- 1) have less than two years of CTE teaching experience.
- 2) have not worked with an industry partner.
- 3) are not employed by a Texas public school district.
- 4) will not answer the required demographic questions related to age, gender, race, region, and professional experience.
